Ecole des Hautes Études Internationales de Vienne

## Women's Cyber Forum: Launching Careers in Cyber Space Exhibition and Sponsorship Opportunities

It is with great delight that we are able to extend an offer of sponsorship from the Energypact Foundation for **Women's Cyber Forum: Launching Careers in Cyber Space** seminar which will be held on 06 November 6, 2017 at the Diplomatic Academy Vienna. ([www.energypact.org/womencyberforum](http://www.energypact.org/womencyberforum))

The Women's Cyber Forum: Launching Careers in Cyber Space has the goal of creating a forum for information sharing, networking and mentoring: raising awareness about the importance of cyber security as a career choice for young women in particular. The seminar is designed for young professional women (and men) with an interest in cyber security issues.

Being a sponsor of Women's Cyber Forum: Launching Careers in Cyber Space 2017, will provide you high visibility and opportunity to present your products and/or services to wide network of participants and guests at the event.

Please find more details on sponsorship types and proposals below.

---

### Exhibition and Sponsorship packages

The Women's Cyber Forum offers a variety of packages for exhibition and sponsorship packages. Energypact is looking for **champions** and **partners** for advancing professional careers in cyber security and especially in the advancement of women professionals. Sponsors not only support this event, but lay the foundation for next year's event and ongoing activities.

The seminar is designed for young professional women (and men) with an interest in cyber security issues. Desired attendees include women and male allies already engaged or considering careers in cyber security, including university students and faculty, industry professionals, members of the government, and professional organizations.

The seminar presents an excellent opportunity for exhibitors and sponsors to network with young professionals and to identify and recruit new talent for academia, research, and corporate opportunities.

Should you be interested in this opportunity, we would be happy to contact you with additional details. Please contact Energypact at [womencyberforum@energypact.org](mailto:womencyberforum@energypact.org) for expression of interests and additional details.
